

CHFR WORKSHOP:

Diastolic function in heart failure

NOVEMBER 7TH 2018

12.00 – 15.30

Organizing committee: Emil Espe, Øyvind Senstad Andersen and Ivar Sjaastad (OUH and UiO)

Place: Institute for Experimental Medical Research, 4th floor, Building 7, OUH Ullevål

PROGRAM

12.00	Coffee and sandwiches
12.15-12.20	Welcome Emil Espe and Øyvind S. Andersen <i>Oslo University Hospital and University of Oslo</i>
12.20-13.05	Keynote talk: Making chicken out of chicken salad: how imaging reflects pathophysiology in diastolic function assessment Frank A. Flachskampf <i>University of Uppsala, Sweden</i> <i>Moderator: Otto A. Smiseth, Oslo University Hospital</i>
13.05-13.20	Break
13.20-13.40	Diastolic function - The roles of relaxation, restoring forces, suction, and passive stiffness Espen Remme <i>Oslo University Hospital</i> <i>Moderator: Thor Edvardsen, Oslo University Hospital and University of Oslo</i>
13.40-14.00	In vivo estimation of passive left ventricular mechanical properties based on cardiac ultrasound images Joakim Sundnes <i>Simula, Oslo</i> <i>Moderator: Emil Espe, Oslo University Hospital and University of Oslo</i>
14.00-14.20	Load-dependent regulation of diastolic function Marianne Ruud <i>Oslo University Hospital and University of Oslo</i> <i>Moderator: William Louch, Oslo University Hospital and University of Oslo</i>
14.20-14.30	Break
14.30-14.50	Treatment of people with hypertension, left ventricular hypertrophy, with and without diastolic dysfunction (HFpEF) Sverre Kjeldsen <i>Oslo University Hospital and University of Oslo</i> <i>Moderator: Ivar Sjaastad, Oslo University Hospital and University of Oslo</i>
14.50-15.10	Left Atrial Strain: its Determinants and Application in the Evaluation of Left Ventricular Filling Pressure Øyvind Senstad Andersen <i>Oslo University Hospital</i> <i>Moderator: Emil Espe, Oslo University Hospital and University of Oslo</i>
15.10-15.30	Exercise intolerance in heart failure patients with preserved EF (HFpEF) – not only diastolic impairment Stig Urheim <i>Haukeland University Hospital, Bergen</i> <i>Moderator: Øyvind Senstad Andersen, Oslo University Hospital</i>
